Bryan Meeting See Collision.

A fire engine and a fire patrol wagon smashed together and upset at Twenty-sixth street and Fourth avenue at a Rittle after 4 o'clock this afternoon.
One of the firemen was injured. Two
ambulances were called.
The great throng that had begun to
gather for the Bryan meeting saw the
collision.

collision.

It was a scene of excitement and the escaping steam of the upset engine added to the upproar and confusion.

The crew of the patrol wagon were dashed to the pavement and many were nurt by bruises.

Two ambulances were hastily called to the scene.

### CHEMIST'S REPORT DISCLOSES MURDER.

Prof. Rudolph A. Witthaus, after a chemical analysis of the stomach of the dead millionaire, William W. Rice, reports:

That Rice was poisoned.

That he found mercury in Rice's stomach.

That the fluid used to embalm Rice's body did not contain mercury.

# DOWACER SAID TO BE DYNC, made, but they were only surmises. It was not until early this moraing that the chemist finished the

Prof. Withaus's Analysis Reveals Traces of Both Arsenic and Mercury in Old Millionaire's Body -Attending Physician Says He Gave No Such Medicines.

naire, who died so suddenly Bunday

Prof. Rudolph A. Witthaus, the tal organs of the late millionalre were given after the arrest of Albert T. Patrick and charles P. Jones, reported to Coroner Hart

Walker Curry, who atte Rice in his last lliness, said to an Even ing World reporter:

"The amount of mercury claimed to have been found by Dr. Witthaus is infinitesimal. It may have been in the system for many years.

"I never prescribed for him any. thing which contained either mercury or arsenie.

"The last prescription I wrote for him was on Sept. 18, and was for some nux vomica. A few days before that Jones, the valet, called my attention to a small bottle of pills. It was a proprietary medicine for the relief of deafness and to induce sleep.

"I directed Mr. Rice not to take any more of it and gave him a tonic in stead. I do not know what the pills were composed of."

What the Report Tells.

The report of the chemist charges that the aged multi-millionaire was given sufficient poison in small doses to bill

Patrick and Jones, who are im the Tombs on the charge of forgery, will now be charged with murder. instead of being indicted for a

fraud, the penalty for which is only a few years' imprisonment, they will now be indicted for a crime the penalty of which is death.

Since Mr. Rice's death, on the evening of September 3, at his home, 500 Madison avenue, and the arrest of his attorney, Albert T. Patrick, and his valet, Charles F. Jones, on the charge of forgery in connection with the old man's death, the public has anxiously awaited the result of Prof. Witthaus's analysis of the stomach of the descased.

Several statements as to the result of

Prof. Witthaus's examination have been made, but they were only surmises.

analysis. He then communicated the result to Coroner Hart exclusively, sending his report to the Coroner's office by a special messenger, Raymond Moore, business manager of the Institute of Chemistry, at 45 East Forty-second street, of which Prof. Witthaus is the head, Coroner Hart immediately communi-

Report of Professor.
